**Scandinavian Special Interest Group 2009**

**Need research assistance for Sweden, Denmark, Norway, Iceland, or Finland?**

The Scandinavian Special Interest Group (Scand-SIG) provides a forum for those pursuing their Scandinavian ancestry to network with others with similar pursuits. The books, websites, and experiences available for research, study, and sharing of this background come alive at the SIG meetings and have helped many explore their roots with relative ease.

Meetings are held at the St. Louis Genealogical Society office, #4 Sunnen Drive, Suite 140, Maplewood, Missouri, on the following dates, between 1:00 p.m. and 3:00 p.m. Terry Romstad, Scand-SIG leader, will be the featured speaker at all this year's meetings.
