

Map CD from the St. Louis Genealogical Society

Looking for ancestral towns in Europe before World War I?

We can offer you:

Andrees Allgemeiner Handatlas, 4th Edition, 1899

Part I: Germany and Scandinavia

Part II: Austria-Hungary, Russia, the Balkans, and Greece

Each CD has about 1000 full-screen maps, scanned at very high quality, and each is **FULLY INDEXED** with between 40,000 and 50,000 place names!

Just \$15.00 each; both for \$25.

PLEASE NOTE:

Mac users: all CDs are PC compatible only.

Windows users: this CD will **NOT** work with Windows Vista.
