

History & Genealogy at St. Louis County Library

Founded in 1998, the History and Genealogy Department is a major research destination offering access to a growing collection offering unique opportunities for genealogical and historical research.

COLLECTION OVERVIEW

History & Genealogy at St. Louis County Library offers sources for discovering St. Louis-area ancestral roots, as well as materials for research in Missouri, Arkansas, Louisiana, and states east of the Mississippi. Discover premier resources for tracing African American ancestors and unique materials for finding family origins in the British Isles, Germany, and Switzerland. [The National Genealogical Society Book Loan Collection](#) makes 27,000 print items, including 10,000 family histories, available for check out and interlibrary loans.

[See the May-June 2019 issue of *PastPorts* for an in-depth overview of the History & Genealogy collection.](#)

St. Louis sources

A large selection of microfilm featuring city directories, vital records, naturalizations, probate records, cemetery records, funeral home records, and other important sources for St. Louis City and County research. [“Online Guide to St. Louis Sources in the History and Genealogy Department”](#) provides a good overview of what is available.

U.S. States

The department offers many print sources, including vital record indexes and abstracts; cemetery and funeral home records; church records; land ownership records and maps; military records, including indexes and abstracts for federal and state records and extensive holdings for the Civil War period; genealogical journals and newsletters; probate court, wills and estate records; and local, regional and state histories.

Church records on microfilm

Collections include St. Louis-area Lutheran, United Church of Christ, and Catholic records, including those for the Archdiocese of St. Louis and the Diocese of Belleville, Ill. [See the online guides to church records on microfilm.](#)

Newspapers on microfilm

The library holds current and historical St. Louis newspapers, including those published for immigrant, ethnic, and local communities. [See the online list of available newspapers titles.](#)

Published family histories

The department offers more than 13,000 published family histories. More than 9000 are available for checkout or interlibrary loans.

Sources for national groups and ethnic research

The department’s collection features unique and foreign sources, including one of the largest collections of German [Ortsippenbücher](#) (genealogical registers extracted from church records) found in U.S. libraries. Other sources include Scottish memorial inscription books, sources for English research, an

extensive collection of parish French North American parish registers, and [church records for Canton Bern, Switzerland](#).

Periodicals

Holdings include more than 850 periodical titles relating to genealogy and local history.

Electronic databases

The library offers Ancestry Library Edition, Fold3, FindMyPast, Newspapers.com Pro-Quest Historical St. Louis Post-Dispatch and New York times, Access Newspaper Archive, and a variety of other databases for genealogical and historical research. Most can be used remotely by St. Louis County Library card holders living in the St. Louis metropolitan area. [View the list of genealogy research databases online](#).
