The German Special Interest Group (G-SIG) provides a forum for those interested in their German ancestry to network, study, learn about genealogical methods, and preserve their history.

Co-sponsored by St. Louis County Library, meetings are held in the auditorium of the County Library Headquarters. Meetings run from 7 p.m. to 8:45 p.m., with doors opening at 6:45.

**G-SIG 2018 Meeting Schedule**

**Wednesday, 24 January 2018**  
*FamilySearch*  
The FamilySearch website is much more than a catalog. Learn about the FamilySearch wiki, how to navigate the catalog, digitized books, and many more features included in this comprehensive website. Focus of this G-SIG session will be on finding additional information on your German ancestors.  
Featured Speaker: Bob Goode

**Wednesday, 21 March 2018**  
*Using Compgen (genealogy.net) Effectively*  
Much new information has recently been added to important websites. Have you tried using Compgen’s GOV, DigiBib, OFBs, Regional, or other parts? Are you confused or avoiding the German language? Obtain more information on what’s where and how to use it effectively!  
Featured Speaker: Carol Whitton, CG

**Wednesday, 20 June 2018**  
*Exploring German Records in the Ancestry Library Edition Database*  
Ancestry has become an important tool for German genealogical research. The manager of the History and Genealogy Department at St. Louis County Library Headquarters will give you an overview of available databases and offer tips for searching them.  
Featured Speaker: Scott Holl

**Wednesday, 19 September 2018**  
*Finding Clues and Information for your Ancestors in Unusual Places*  
Have you used any and every possible document, record, letter, postcard, or diary in your search for more information and answers about your ancestors? Learn of new or different types of information that might give you clues or answers and keep you from adopting the wrong ancestor.  
Featured Speaker: Carolyn Schaeffer
