

St. Louis Genealogical Society

Classes for Summer-Fall 2019

All classes will be held at the St. Louis Genealogical Society Office, which is handicap accessible, but if you have special needs, please let us know before you come.
Pre-registration is strongly suggested. Classes may be cancelled if minimum numbers aren't met.
All classes are free to members and \$30 for non-members

Foundations of Genealogy, Part I

Date: 17 August 2019

Day: Saturday

Time: 1:00 p.m. to 3:00 p.m.

Instructor: Ilene Murray

Sessions: 1

Class Info.: Whether you are just beginning or you have been working on your family history for years, sometimes you just need to rethink your strategies. We'll look at some ways to get organized and stay that way, review basic rules of genealogy, look at the importance of citing sources, and see how timelines can help guide your research.

Using FamilySearch

Date: 18 August 2019

Day: Sunday

Time: 1:00 p.m. to 3:00 p.m.

Instructor: Bob Goode

Sessions: 1

Class Info.: The FamilySearch website is much more than just a place to search for ancestors. Learn about the FamilySearch wiki, how to navigate the catalog, how to access digitized books, and many more features included in this comprehensive website.

Foundations of Genealogy, Part II

Date: 24 August 2019

Day: Saturday

Time: 1:00 p.m. to 3:00 p.m.

Instructor: Ilene Murray

Sessions: 1

Class Info.: (This class will be a follow-up to the first session, and, if possible, you are encouraged to sign up for both.) Most genealogists begin with census research, but then what? We'll look more closely at how to analyze those census records, how to get the most from vital records, and repositories, and Internet sites that can help you find what you need to do better research.

Beyond Parish Records: Other Useful German Records at the Family History Library

Dates: 21 September 2019

Day: Saturday

Time: 1:00 p.m. to 3:00 p.m.

Instructor: Carol Whitton, CG

Sessions: 1

Class Info.: Desire more than German birth, marriage, and death records? See examples of passports, wills, land, and other records available through the Family History Library.

Using Technology in Genealogy Research

Dates: 28 September 2019

Day: Saturday

Time: 1:00 p.m. to 3:00 p.m.

Instructor: Cathy Amen

Sessions: 1

Class Info.: Genealogy can be enhanced with today's technology tools. Here is an overview of software, scanners, photo-editing apps, organizational tools, and more. Find out how you can be more productive.

Beginning Irish Research

Dates: 5 October 2019

Day: Saturday

Time: 1:00 p.m. to 3:00 p.m.

Instructors: Carol Hemmersmeier and Kay Weber

Sessions: 1

Class Info.: Learn the basics of Irish genealogy. Explore ways to find parishes and townlands using available records.

Advanced Legacy Family Tree (Software—PC Only)

Date: 19 October 2019

Day: Saturday

Time: 1:00 p.m. to 3:00 p.m.

Instructor: Cathy Amen

Sessions: 1

Class Info.: If you have been using Legacy and want to use its advanced features, this class is for you. Topics will include special tools, advanced reports, using hashtags and tags, and advanced searching.

Please turn over for a registration form.
