

St. Louis Genealogical Society

Classes for Winter-Spring 2019

All classes will be held at the St. Louis Genealogical Society Office, which is handicap accessible, but if you have special needs, please let us know before you come.
Pre-registration is strongly suggested. Classes may be cancelled if minimum numbers aren't met.
All classes are free to members and \$30 for non-members

Evernote for Genealogy

Date: 2 February 2019 **Day:** Saturday **Time:** 1:00 p.m. to 3:00 p.m. **Instructor:** Bob Goode
Session: 1
Class Info.: Evernote is an all-purpose application (app) that can be a to-do list, web clipper, and/or notebook, in addition to its many other features. It can sync across all of your devices; computer, smartphone, and tablet. It is great for helping your research at libraries and on genealogical travel trips and for keeping track of your surname research.

Foundations of Genealogy, Part I

Date: 17 February 2019 **Day:** Sunday **Time:** 1:00 p.m. to 3:00 p.m. **Instructor:** Ilene Murray
Session: 1
Class Info.: Whether you are just beginning or you have been working on your family history for years, sometimes you just need to rethink your strategies. We'll look at some ways to get organized and stay that way, review basic rules of genealogy, look at the importance of citing sources, and see how timelines can help guide your research.

Foundations of Genealogy, Part II

Date: 24 February 2019 **Day:** Sunday **Time:** 1:00 p.m. to 3:00 p.m. **Instructor:** Ilene Murray
Sessions: 1
Class Info.: (This class will be a follow-up to the first session, and, if possible, you are encouraged to sign up for both.) Most genealogists begin with census research, but then what? We'll look more closely at how to analyze those census records, how to get the most from vital records, and repositories, and Internet sites that can help you find what you need to do better research.

DNA: You Have Your Results—What's Next?

Date: 3 March 2019 **Day:** Sunday **Time:** 1:00 p.m. to 3:00 p.m. **Instructor:** Carol Whitton, CG
Sessions: 1
Class Info.: How can you use your many autosomal DNA (atDNA) matches? Confirm missing parents and distribute third-fifth cousins into the correct lines using shared matches

Beginning RootsMagic (PC)

Dates: 16 March 2019 **Day:** Saturday **Time:** 1:00 p.m. to 3:00 p.m. **Instructor:** Ted Steele
Sessions: 1
Class Info.: Learn to create a RootsMagic database, add ancestors with sources and notes, and enter places consistently. Explore the various "data views" and see how to generate reports.

Intermediate Irish Research

Dates: 23 March 2019 **Day:** Saturday **Time:** 1:00 p.m. to 3:00 p.m. **Instructors:** Carol Hemmersmeier and Kay Weber
Sessions: 1
Class Info.: So what if most of the Irish census records have been destroyed? There are many records available to help you find that coveted townland as well as additional facts about your ancestors. **(Please note: This class is intended for those who have done their American research and are ready to begin researching records in Ireland.)**

Reading Handwritten German Church Records

Dates: 7 April 2019 **Day:** Sunday **Time:** 1:00 p.m. to 3:00 p.m. **Instructor:** Carol Whitton, CG
Sessions: 1
Class Info.: Learn the handwritten old German alphabet, as well as helpful tips and resources for reading and understanding church records.

Basics of Scandinavian Genealogy

Date: 14 April 2019 **Day:** Sunday **Time:** 1:00 p.m. to 3:00 p.m. **Instructor:** Karen Van Berkel
Sessions: 1
Class Info.: Learn about patronymic naming systems, boundary histories, immigration patterns, research methods, language tips, sources, and more in Sweden, Norway, Denmark, Finland, and Iceland.

Please turn over for more classes and a registration form.

Advanced Roots Magic (PC)

Date: 20 April 2019

Day: Saturday

Time: 1:00 p.m. to 3:00 p.m.

Instructor: Ted Steele
Sessions: 1

Class Info.: This is an advanced class for genealogists who already own and who are familiar with the basic operations of RootsMagic, such as correcting errors, unlinking people, merging people or places, searching by fact type, and creating reports.

Legacy Family Tree 101 (PC Software Only)

Date: 27 April 2019

Day: Saturday

Time: 1:00 p.m. to 3:00 p.m.

Instructor: Cathy Amen
Sessions: 1

Class Info.: This course is designed for beginners or those relatively new to Legacy. Course content includes understanding the toolbar and personal options, documenting sources, data entry, simple reports, and tips and tricks. Class time will allow for general questions and answers.
